

## #Hack 10 sites: Home Task

1. <https://rapidx.in/admin/dashbord.php#>

2. <https://www.gemsbschoolcms.in/enquiry.php>

3. <https://facetechnology.pk/admin/profile.php>

The screenshot shows the Facetech admin interface. On the left is a sidebar with navigation links: Home, Student, Subject, Class, Result, Diary, Fees, and Config. The main content area has a blue header with the Facetech logo and a user profile for 'LordsSchool [Lords School System Lords School System]'. Below the header, there's a 'Student Information' section with a 'Search Class' dropdown. To the right, it displays 'Total Students 165' and 'new class 75 students'. A table header is visible with columns: R. No, Student Name, Guardian Name, Mobile Number, Picture, and Action. The first row shows '1 HACKED BY BLACKFALCON'.

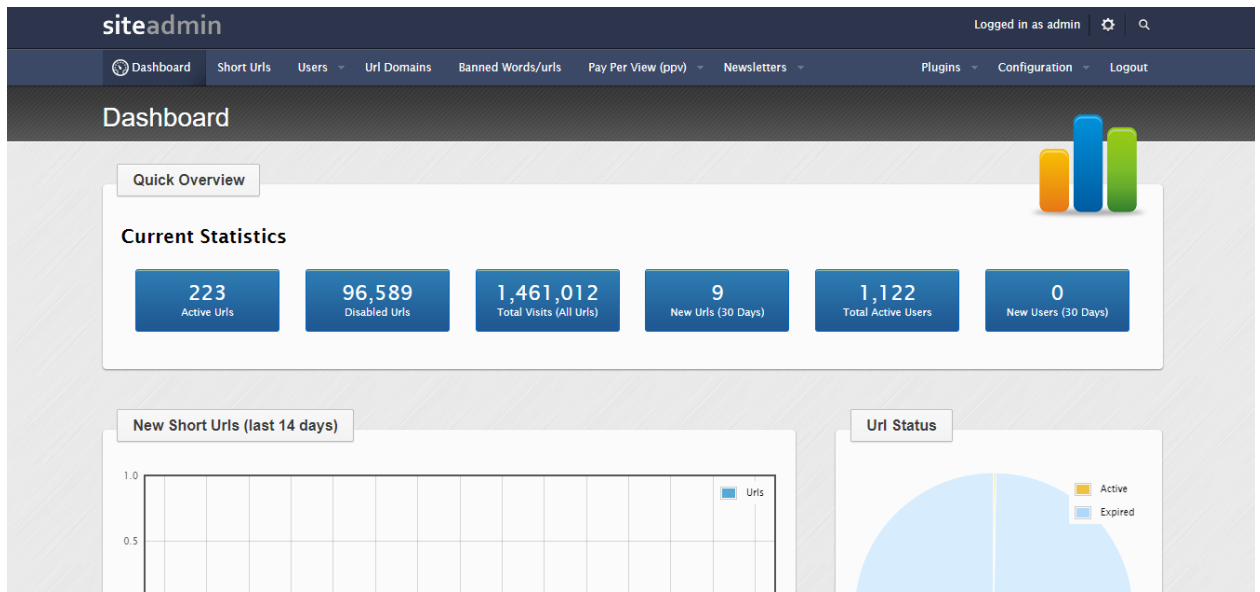

4. <http://www.iuse.edu.pk/admission.php>

Admission NO	first Name	CNIC Number	Student Phone Number	Student Email	First Year Marks	Total Marks	FSC Total Obtain Marks	FSC Total Marks	First Priority	Second Priority	Modify
--------------	------------	-------------	----------------------	---------------	------------------	-------------	------------------------	-----------------	----------------	-----------------	--------

5. <https://www.aark.us/welcome.php>

The screenshot shows the AARK Network Inc. admin interface. The header features the AARK logo and the text 'AARK Network Inc.'. A message states 'Adobe Flash Player is no longer supported'. The left sidebar contains links for Home, Brief History, AARK Promoters, Current Operations, Future Plans, Career @ AARK, Current Opportunities, Store Locations, Contact Us, Login, Employee Login, and Admin Login. The main content area is titled 'Admin Page' and 'Welcome, admin', with links for New User, List User, Change Password, and Logout. The footer includes '© 2008 AARK.us. Valid CSS & XHTML' and 'Website designed by TriangleTech'.
